EXECUTIVE COMMITTEE REPORT

G. Corkin reported the Executive Committee has been working with Michigan Works to improve the budget process. CUPPAD has been doing very well since the RPI but a new governor will be seated in January and we have to be aware that RPI funds may not continue.

EXECUTIVE DIRECTOR’S REPORT

LaJoye reported that CUPPAD staff will be attending the Michigan Association of Planning Annual Conference in Grand Rapids in September and GIS staff will be attending the Imagine GIS Conference in Traverse City. The governor’s office announced that the RPI grant will be available for the same amount of funds as previous years ($271,346.00). New to this year’s RPI application is the opportunity to apply for an additional amount of $70,000 for integrated asset management. CUPPAD will be pursuing the additional funds as we believe we have the internal capacity to perform integrated asset management.
